

## **ALTAR GUILD**

The Altar Guild has been an integral part of Episcopal worship services since the 1900's. We have a small devoted community from the parish that prepares items for Eucharistic Services. We care for all chalices, vessels, patens (plates), and linens. This is an important behind the scenes service. If you feel the call to the join this ministry, please contact John Teel, Altar Guild Director, at 505-385-3425 by text or voicemail, or email [teelaccounting@icloud.com](mailto:teelaccounting@icloud.com). We offer training and you will be paired with other experienced Altar Guild members so you will never be left alone and no previous experience needed. Blessings to you and yours.
