

EUCCHARISTIC BREAD BAKERS

Eucharistic Bread Bakers is a small group of people looking to expand! We provide the Eucharistic loaves for the three regular Sunday services as well as special occasions. We bake and deliver bread using the traditional St. Michael's recipe. Our current approach is that one member of the group bakes the bread for a month at a time at home, delivering it before the first Sunday of the month. Ideally, our ministry would have 5-8 members, which would allow us to bake for only two weeks at a time; currently we have four with one retiring soon. Contact Jennifer Kepesh if you are interested in participating--we can share the recipe, and if you'd like, do a first bake together so you are comfortable on your own. jen_kepesh@yahoo.com
